

# CURVEO™

The innovative gluteal implant,  
reformulated from **IMPLEO™** gel.

-  A highly cohesive, form stable gel for a **natural look**.
-  Orientation markers allowing for more precision during placement.
-  Optimised dimensional ratio between projection and base width, aiding enhanced aesthetic results.

**NAGÔR™**

# Reasons to choose the innovative CURVEO™ gluteal implants\*.

## A HIGHLY COHESIVE, FORM STABLE GEL FOR A NATURAL LOOK.

Developed using gel reformulated from the bestselling IMPLEO™ breast implant optimised for the gluteal application.

Having a thick elastomer shell that's resilient but also highly elastic, ensuring exceptional product performance, with Siliogard™ 360° barrier technology to minimise gel diffusion.

## ORIENTATION MARKERS ALLOWING FOR MORE PRECISION DURING PLACEMENT.

Orientation marker dots and radio-opaque line marker, for more precision during placement and assessment post-surgery.

The implant benefits from a smooth, opaque, shell surface potentially reducing rotation.

## OPTIMISED DIMENSIONAL RATIO BETWEEN PROJECTION AND BASE WIDTH, FOR ENHANCED RESULTS.

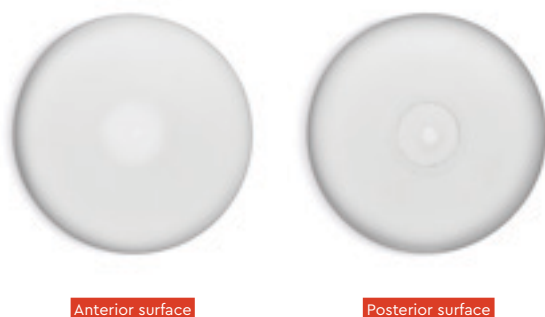

CURVEO™ has two base configurations, with a total of 13 variations – 6-Round and 7-Anatomical to provide more choice.

The optimised ratio between projection and base width creates balanced and natural aesthetic results, when used either intramuscular or in sub-fascia placement.

### Round and Anatomical

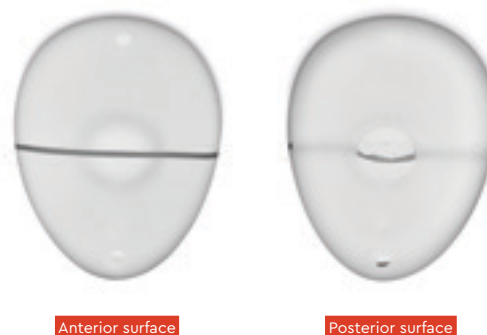

#### Round Implant

The orientation dot marker indicating the centre of the implant and Point of Maximum Projection.

#### Anatomical Implant

Radio-opaque horizontal orientation line marks the centre of the implant.

#### Six orientation dots:

Three dots on Anterior surface; two to indicate inferior and one to indicate superior pole of the implant and replicated on posterior implant surface.

#### GLT-R Round Gluteal Implant

Product Code	Diameter (mm)	Projection (mm)	Weight (g)
GLT-R 200	111	33	200
GLT-R 240	116	35	240
GLT-R 260	119	36	260
GLT-R 300	124	38	300
GLT-R 330	130	38	330
GLT-R 380	136	41	380

#### GLT-A Anatomical Gluteal Implant

Product Code	Height (mm)	Width (mm)	Projection (mm)	Weight (g)
GLT-A 215	136	99	28	215
GLT-A 285	139	109	33	287
GLT-A 305	143	110	34	305
GLT-A 345	145	114	36	345
GLT-A 385	150	117	42	385
GLT-A 440	152	121	46	440
GLT-A 470	152	121	48	470
